ABOUT

I am a results-driven Full Stack Web Developer and UI/UX Designer with a fervent passion for the intricate art of website development. The dynamic nature of transforming ideas into interactive and visually stunning digital experiences is what fuels my enthusiasm for this field. With a solid foundation in PHP, Laravel, React, and JavaScript, I leverage these technologies to create seamless, responsive, and innovative websites.

SKILLS

Programming Languages and Tools: Laravel, PHP, JavaScript, React, HTML, CSS, Bootstrap, MongoDB, MySQL, Git, Netlify.
Soft Skills: Problem Solving, Decision Making, Leadership

EDUCATION

Moat Academy   July 2023 – Sept 2023
Software Development Bootcamp

Kwara State University   Jan 2018 – Dec 2021
Bachelor of Science in Microbiology
